RE: City of Palm Bay – Malabar Road Widening (SJHP to Minton), FM #4372101

Dear Mr. Tyler:

I am writing today on behalf of the Brevard County Board of County Commissioners to show our support for the City of Palm Bay's plan to widen Malabar Road between Minton Road and the St. Johns Heritage Parkway. With Palm Bay's rapid population growth, its increased expansion in its commercial base and the addition of the St. Johns Heritage Parkway as a significant evacuation route for the area, the widening of Malabar is becoming more necessary every day.

The Brevard County Board of County Commissioners is aware that the City of Palm Bay is asking for financial support for this critical road widening project from the Florida Department of Transportation and we respectfully ask that you seriously consider this request. This project is the top ranked regionally significant project on the Space Coast Transportation Organization's preliminary ranking of priority projects for 2022.

Thank you for your consideration of this important project to the City of Palm Bay. Please feel free to reach out with any questions.

Sincerely,

Kristine Zonka, Chair
Brevard County Board of County Commissioners
District 5
