**FISCAL IMPACT:**

**DEPT/OFFICE:**

Planning and Development

**REQUESTED ACTION:**

In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and contract for Loren Cove South Phase 2.

**SUMMARY EXPLANATION and BACKGROUND:**

There are three stages of review for subdivision plan approval: the pre-application conference, the preliminary plat/final engineering plan review, and the final plat review. The pre-application conference for the above project was held on February 23, 2017. The preliminary plat and final engineering plans, which is the second stage of approval, was approved on September 15, 2017. The third stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Staff has reviewed the final plat and contract for the Loren Cove South Phase 2 subdivision, and has determined that it is in compliance with the applicable ordinances.

Loren Cove South Phase 2 is located within the Viera DRI, south of Spur Drive between Wyndham Drive and Stadium Parkway. The proposed subdivision contains 84 townhouse units on 15.43 acres.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.
