**AGENDA REPORT**  
**BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS**

SUBJECT:	Agreement and Authorizing Resolution with the Florida Commissioner for the Transportation Disadvantaged, re: Trip and Equipment Grant Agreement (Fiscal Impact: \$1,458,814 State Funds and \$162,090 Local Match)
DEPT/OFFICE:	Transit Services Department / Space Coast Area Transit

**Requested Action:**

It is requested that the Board of County Commissioners approve and authorize the Chairman to execute the Grant Agreement and Authorizing Resolution for submittal to the Florida Commission for the Transportation Disadvantaged (CTD) for \$1,458,814 in CTD funds. It is further requested that the Chairman be authorized to sign any Amendments or Addendums contingent upon County Attorney and Risk Management approval.

**Summary Explanation & Background:**

This grant will enable Brevard County to provide curb-to-curb transportation services to residents who are Transportation Disadvantaged (TD) as defined in Florida Statute 427, Part 1. Funds in the Transportation Disadvantaged Trust Fund are allocated, on a formula basis, to each county according to the Florida Administrative Code 41-2. The formula is based on total square miles in the County, passengers miles carried, vehicle miles traveled and population of the county. Brevard County has been allocated \$1,458,814 in FY2015-2016 TD Trust Funds and \$297 in Voluntary Dollars through the license tag renewals. The TD Trust Funds require a 10% local match.

This year's allocation is a decrease of about \$485. Even though the TD Funds are distributed through a formula, once the agreement is signed, Space Coast Area Transit is reimbursed on a per passenger mile basis through a service rate developed by the CTD with the grant starting on July 1, 2015 to correspond with the State's Fiscal Year.

All of the funding will be used in providing curb-to-curb trips and not for the purchase of capital items. The funds are used to provide paratransit service throughout the county for Medical, Food Shopping, Employment, Educational and various trips, with Medical trips accounting for about 1/2 of the total service. A total of 63,897 trips were provided under this grant from April 2014 to March 2015.

Fiscal Impact Analysis:	Business Area	Cost Center	Amount	Description
FY2014-15	4135	303196	\$ 364,629	TD Grant
FY2015-16	4135	303196	\$1,094,185	TD Grant
FY2014-15	4130	R30373	\$ 40,474	Fares
FY2015-16	4130	R30373	\$ 121,616	Fares

The grant funding is allocated and spent according to the State of Florida Fiscal Year; therefore the grant will begin on July 1, 2015. All of the funding is included in Transit Services FY2014-15 operating budget and will be included in the FY 2015-16 budget.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations herein, the parties agree as follows:

**1.00 Purpose of Agreement:** The purpose of this Agreement is to:

Provide non-sponsored transportation trips and/or capital equipment to the non-sponsored transportation disadvantaged in accordance with the Transportation Disadvantaged Trust Fund in Chapter 427, Florida Statutes, Rule 41-2, Florida Administrative Code, Commission policies, the Fiscal Year 2015-16 Program Manual for the Trip & Equipment Grant for non-sponsored trips and/or capital equipment, and as further described in this Agreement and in Exhibit(s) A, B, and C, attached hereto and by this reference made a part hereof, hereinafter called the **Project**; and, for the Commission to provide non-sponsored financial assistance to the Grantee and state the terms and conditions upon which such non-sponsored financial assistance will be provided and the understandings as to the manner in which the Project will be undertaken and completed. Funds available through this agreement may be used only for non-sponsored transportation services and shall be applied only after all other potential funding sources have been used and eliminated. Grant funds shall not be used to supplant or replace funding of transportation disadvantaged services which are currently funded to a recipient by any federal, state, or local governmental agency.

**2.00 Accomplishment of the Project:**

**2.10 General Requirements:** The Grantee shall commence, and complete the Project as described in Exhibit "A" with all practical dispatch, in a sound, economical, and efficient manner, and in accordance with the provisions herein, and all federal, state and local applicable laws.

**2.20 Pursuant to Federal, State, and Local Law:** In the event that any election, referendum, approval, permit, notice, or other proceeding or authorization is requisite under applicable law to enable the Grantee to enter into this Agreement or to undertake the Project hereunder, or to observe, assume or carry out any of the provisions of the Agreement, the Grantee will initiate and consummate, as provided by law, all actions necessary with respect to any such matters so requisite.

**2.30 Funds of the Grantee:** The Grantee will use its best efforts to enable the Grantee to provide the necessary funds or in-kind contributions necessary for the completion of the Project.

**2.40 Submission of Proceedings, Contracts and Other Documents and Products:** The Grantee shall submit to the Commission such data, reports, records, contracts, certifications and other financial or operational documents or products relating to the Project as the Commission may require as provided by law, rule or under this agreement. Failure by the Grantee to provide such documents, or provide other documents or products required by previous agreements between the Commission and the Grantee, may, at the Commission's discretion, result in refusal to reimburse project funds or other permissible sanctions against the Grantee, including termination.

**2.50 Incorporation by Reference:** The Grantee and Commission agree that by entering into this Agreement, the parties explicitly incorporate by reference into this Agreement the applicable law and provisions of Chapters 341 and 427, Florida Statutes, Rules 14-90 and 41-2, Florida Administrative Code, and the Fiscal Year 2015-16 Program Manual for the Trip & Equipment Grant.

A copy of the evaluation report will be given to the designated official planning agency and the Commission. The Grantee must fully cooperate with the local coordinating board in the performance of its duties. The Grantee shall submit to the local coordinating board such data, reports, records, contracts, certifications and other financial or operational documents or products relating to the Project as provided by law, rule or under this agreement. Failure by the Grantee to cooperate with, or to provide such documents or other products to the local coordinating board may, at the Commission's discretion, result in refusal to reimburse project funds or other permissible sanctions against the Grantee, including termination.

**3.00 Total Project Cost:** The total estimated cost of the Project is \$1,620,904.00. This amount is based upon the amounts summarized in Exhibit "B" and by this reference made a part hereof. Trip and Equipment Grant Funds may also be used to purchase capital equipment used for the provision of non-sponsored transportation services.

**6.20 Schedule of Disbursements:** The Grantee shall abide by the Commission approved disbursements schedule, contained in Exhibit "B." This schedule shall show estimated disbursement of Commission funds for the entire term of the Project by month of the fiscal year in accordance with Commission fiscal policy. Reimbursement for the Commission's share of the project shall not be made for an amount greater than the cumulative total up to any given month as indicated in the disbursement schedule in Exhibit "B." Grantee shall invoice on a monthly basis actual costs that may be above or below (+/-) the amount of the monthly allocation disbursement schedule reflected on Exhibit "B". At times, this may result in "underbilling" or "overbilling". Any excess (underbilled) funds may be recaptured on a monthly invoice that does not exceed the cumulative total of funds disbursed to date with supporting documentation. No excess funds remaining on the grant at the end of the grant period will be reimbursed to the Grantee. Any overpayment of TD funds must be repaid to the Commission upon project completion.

**8.50 Commission Claims:** If, after project completion, any claim is made by the Commission resulting from an audit or for work or services performed pursuant to this agreement, the Commission may offset such amount from payments due for work or services done under any grant agreement which it has with the Grantee owing such amount if, upon demand, payment of the amount is not made within (60) days to the Commission. Offsetting any amount pursuant to this section shall not be considered a breach of contract by the Commission.

## **9.00 Termination or Suspension of Project:**

**9.10 Termination or Suspension Generally:** If the Grantee abandons or, before completion, finally discontinues the Project; or if, by reason of any of the events or conditions set forth in Section 8.20, or for any other reason, the commencement, prosecution, or timely completion of the Project by the Grantee is rendered improbable, infeasible, impossible, or illegal, the Commission may, by written notice to the Grantee, suspend any or all of its obligations under this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected, or the Commission may terminate any or all of its obligations under this Agreement.

**9.20 Action Subsequent to Notice of Termination or Suspension:** Upon receipt of any final termination or suspension notice under this Paragraph, the Grantee shall proceed promptly to carry out the actions required therein which may include any or all of the following: (1) necessary action to terminate or suspend, as the case may be, Project activities and contracts and such other action as may be required or desirable to keep to the minimum the costs upon the basis of which the financing is to be computed; (2) furnish a statement of the project activities and contracts, and other undertakings the cost of which are otherwise includable as Project costs; and (3) remit to the Commission such portion of the financing and any advance payment previously received as is determined by the Commission to be due under the provisions of the Agreement. The termination or suspension shall be carried out in conformity with the latest schedule, plan, and budget as approved by the Commission or upon the basis of terms and conditions imposed by the Commission upon the failure of the Grantee to furnish the schedule, plan, and budget within a reasonable time. The acceptance of a remittance by the

Grantee shall not constitute a waiver of any claim which the Commission may otherwise have arising out of this Agreement.

**9.30 Public Access to Records:** The Commission reserves the right to unilaterally cancel this agreement for refusal by the Grantee or its contractors to allow public access to all documents, papers, letters, records or other materials subject to the provisions of Chapter 119, Florida Statutes, and made or received in conjunction with this agreement.

**11.00 Audit and Inspection:** The Grantee shall permit, and shall require its contractors to permit, the Commission's authorized representatives to inspect all work, materials, payrolls, records; and to audit the books, records and accounts pertaining to the financing and development of the Project at all reasonable times including upon completion of the Project, and without notice.

## **12.00 Contracts of the Grantee:**

**12.10 Third Party Agreements:** The Grantee shall not execute any contract or obligate itself in any manner requiring the disbursement of Transportation Disadvantaged Trust Fund moneys, including transportation operator and consultant contracts or amendments thereto, with any third party with respect to the Project without being able to provide, upon request, a written certification by the Grantee that the contract or obligation was executed in accordance with the competitive procurement requirements of Chapter 287, Florida Statutes, Chapter 427, Florida Statutes, and the rules promulgated by the Department of Management Services. Failure to provide such certification, upon the Commission's request, shall be sufficient cause for nonpayment by the Commission as provided in Paragraph 8.23. The Grantee agrees, that by entering into this Agreement, it explicitly certifies that all of its third party contracts will be executed in compliance with this section.

**12.20 Compliance with Consultants' Competitive Negotiation Act:** It is understood and agreed by the parties hereto that participation by the Commission in a project with a Grantee, where the project involves a consultant contract for any service, is contingent on the Grantee complying in full with provisions of Section 287.055, Florida Statutes, Consultants Competitive Negotiation Act. The Grantee shall provide, upon request, documentation of compliance with this law to the Commission for each consultant contract it enters.

**12.30 Competitive Procurement:** Procurement of all services, vehicles, equipment or other commodities shall comply with the provisions of Section 287.057, Florida Statutes. Upon the Commission's request, the Grantee shall certify compliance with this law.

## **13.00 Restrictions, Prohibitions, Controls, and Labor Provisions:**

**13.10 Equal Employment Opportunity:** In connection with the carrying out of this Agreement, the Grantee shall not discriminate against any employee or applicant for employment because of race, age, disability, creed, color, sex or national origin. The Grantee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, age, disability, creed, color, sex, or national origin. Such action shall include, but not be limited to, the following: Employment upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Grantee shall insert the foregoing provision modified only to show the particular contractual relationship in all

The Grantee shall post, in conspicuous places available to employees and applicants for employment for Project work, notices setting forth the provisions of the nondiscrimination clause.

### **13.30 Prohibited Interests:**

**13.31 Contracts or Purchases:** Unless authorized in writing by the Commission, no officer of the Grantee, or employee acting in his or her official capacity as a purchasing agent, shall either directly or indirectly purchase, rent, or lease any realty, goods, or services for the Grantee from any business entity of which the officer or employee or the officer's or employee's business associate or spouse or child is an officer, partner, director, or proprietor or in which such officer or employee or the officer's or employee's spouse or child, or any combination of them, has a material interest.

**13.32 Business Conflicts:** Unless authorized in writing by the Commission, it is unlawful for an officer or employee of the Grantee, or for any company, corporation, or firm in which an officer or employee of the Grantee has a financial interest, to bid on, enter into, or be personally interested in the purchase or the furnishing of any materials, services or supplies to be used in the work of this agreement or in the performance of any other work for which the Grantee is responsible.

**13.33 Solicitations:** No officer or employee of the Grantee shall directly or indirectly solicit or accept funds from any person who has, maintains, or seeks business relations with the Grantee.

**13.34 Former Employees - Contractual Services:** Unless authorized in writing by the Commission, no employee of the Grantee shall, within 1 year after retirement or termination, have or hold any employment or contractual relationship with any business entity in connection with any contract for contractual services which was within his or her responsibility while an employee.

**13.35 Former Employees - Consulting Services:** The sum of money paid to a former employee of the Grantee during the first year after the cessation of his or her responsibilities, by the Grantee, for contractual services provided to the Grantee, shall not exceed the annual salary received on the date of cessation of his or her responsibilities. The provisions of this section may be waived by the Grantee for a particular contract if the Grantee determines, and the Commission approves, that such waiver will result in

significant time or cost savings for the Grantee and the project.

The Grantee shall insert in all contracts entered into in connection with this Agreement and shall require its contractors to insert in each of their subcontracts, the following provision:

"No member, officer, or employee of the Grantee during his tenure or for one year thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof."

The provisions of this section shall not be applicable to any agreement between the Grantee and its fiscal depositories, or to any agreement for utility services the rates for which are fixed or controlled by a Governmental agency.

**13.40 Non-discrimination of Persons With Disabilities:** The Grantee and any of its contractors or their sub-contractors shall not discriminate against anyone on the basis of a handicap or disability (physical, mental or emotional impairment). **13.60 Public Entity Crimes:** No Grantee shall accept any bid from, award any contract to, or transact any business with any person or affiliate on the convicted vendor list for a period of 36 months from the date that person or affiliate was placed on the convicted vendor list unless that person or affiliate has been removed from the list pursuant to section 287.133, Florida Statutes. The Grantee may not allow such a person or affiliate to perform work as a contractor, supplier, subcontractor, or consultant under a contract with the Grantee. If the Grantee was transacting business with a person at the time of the commission of a public entity crime which resulted in that person being placed on the convicted vendor list, the Grantee may also not accept any bid from, award any contract to, or transact any business with any other person who is under the same, or substantially the same, control as the person whose name appears on the convicted vendor list so long as that person's name appears on the convicted vendor list.

**13.70 Homeland Security:** Grantee shall utilize the U.S. Department of Homeland Security's E-Verify system, in accordance with the terms governing use of the system, to confirm the employment eligibility of:

2. all new persons, including subcontractors, assigned by the grantee to perform work pursuant to the contract with the Commission.

The Commission shall consider the employment by any vendor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the vendor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this agreement.

**14.20 Commission Not Obligated to Third Parties:** The Commission shall not be obligated or liable hereunder to any party other than the Grantee.

**14.30 When Rights and Remedies Not Waived:** In no event shall the making by the Commission of any payment to the Grantee constitute or be construed as a waiver by the Commission of any breach of covenant or any default which may then exist, on the part of the Grantee, and the making of such payment by the Commission while any such breach or default shall exist shall in no way impair or prejudice any right or remedy available to the Commission for such breach or default.

**14.40 How Contract Affected by Provisions Being Held Invalid:** If any provision of this Agreement is held invalid, the provision shall be severable and the remainder of this Agreement

shall not be affected. In such an instance the remainder would then continue to conform to the terms and requirements of applicable law.

**14.50 Bonus and Commissions:** By execution of the Agreement the Grantee represents that it has not paid and, also, agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its financing hereunder.

**14.60 State or Territorial Law:** Nothing in the Agreement shall require the Grantee to observe or enforce compliance with any provision thereof, perform any other act or do any other thing in contravention of any applicable State or Federal law. Provided, that if any of the provisions of the Agreement violate any applicable State or Federal law, the Grantee will at once notify the Commission in writing in order that appropriate changes and modifications may be made by the Commission and the Grantee to the end that the Grantee may proceed as soon as possible with the Project.

## **14.70 Purchased Vehicles or Equipment:**

**14.71 Maintenance of Purchased Vehicles or Equipment:** The Grantee agrees to maintain the vehicles and equipment purchased or financed in whole or in part with Transportation Disadvantaged Trust Funds pursuant to this Agreement in good working order for the useful life of the vehicles and equipment. The Grantee agrees not to make alterations or modifications to the equipment or vehicles without the consent of the Commission. The Grantee shall notify the Commission in writing of any lease or assignment of operational responsibility of project vehicles and equipment to third-persons.

**14.72 Utilization:** The Grantee agrees to assure that all Project equipment and vehicles purchased with Transportation Disadvantaged Trust Funds are used to meet the identified transportation needs of the non-sponsored and in support of the service plan established under the provisions of Rule 41-2, Florida Administrative Code, to serve the transportation needs of the transportation disadvantaged of the area. Purchased Project equipment and vehicles shall be operated to their maximum possible efficiency. Purchased vehicles and equipment will be used for the period of their useful lives in accordance with the most current Commission policies. The Commission may, after consultation with the Grantee, transfer purchased equipment and vehicles that it deems to be underutilized or that is not being operated for its intended purpose. This underutilized equipment and vehicles will be returned to the Commission at a specified location at a mutually agreeable time. Reimbursement of any equity or interest of the Grantee will be made after another party has assumed the obligations under the terms and conditions of this Agreement or disposal of said items by sale has occurred. The Commission shall make the sole determination of the Grantee's interest and reimbursement. As determined by the Commission, failure to satisfactorily utilize vehicles and equipment that are purchased with Project funds shall be sufficient cause for non-payment by the Commission as provided in Paragraph 8.25.

**14.73 Disposal of Purchased Project Equipment:** Useful life of capital equipment is defined in the Commission's Capital Equipment Procedure as incorporated herein by reference. The following applicable process must be used prior to disposition of any capital equipment purchased with these grant funds:

a) While the Grantee is still under contract with the Commission and the capital equipment still has useful life, the Grantee must request written approval from the Commission prior to disposing of any equipment purchased or financed in whole or in part pursuant to this Agreement, including vehicles, during its useful life, for any purpose. Proceeds from the sale of purchased project equipment and vehicles shall be documented in the project file(s) by the Grantee. With the approval of the Commission, these proceeds may be re-invested for any purpose which expands transportation disadvantaged services for the non-sponsored. If the Grantee does not elect to re-invest for purposes which expand transportation disadvantaged services, the gross proceeds from sale shall be refunded to the Commission in the same participation percentage ratios as were used to fund the original purchase.

b) The purchase of all vehicles and equipment financed in whole or in part pursuant to this Agreement shall be undertaken by the Grantee on behalf of the Florida Commission for the Transportation Disadvantaged in accordance with State regulations and statutes. Title to any vehicle purchased with Project funds shall be in the name of the Grantee, subject to lien in favor of the Commission. The Commission will relinquish all interest in the vehicles and equipment when it has reached the end of its useful life and at this time the Commission will satisfy its lien of record.

c) When a Grantee is no longer an eligible recipient of trip and equipment grant funds and no longer a Commission approved Community Transportation Coordinator, the capital equipment with useful life purchased with these grant funds must be transferred to an eligible recipient in accordance with the Commission's Capital Equipment Procedure.

**15.00 Plans and Specifications:** In the event that this agreement involves the purchasing of capital equipment or major components thereof, upon the Commission's request, the Grantee shall submit to the Commission, certification that all such equipment meets or exceeds the requirements as identified in Exhibit "A." Failure to abide by this requirement shall be sufficient cause for nonpayment by the Commission as provided in Paragraph 8.23.

**16.00 Contractual Indemnity:** To the extent permitted by law, the Grantee shall indemnify, defend, save, and hold harmless the Commission and all their officers, agents or employees from all suits, actions, claims, demands, and liability of any nature whatsoever arising out of, because of, or due to breach of the agreement by the Grantee or its subcontractors, agents or employees or due to any negligent act, or occurrence of omission or commission of the Grantee, its subcontractors, agents or employees. Neither the Grantee nor any of its agents will be liable under this article for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the Commission or any of their officers, agents or employees. The parties agree that this clause shall not waive the benefits or provisions of Section 768.28, Florida Statutes or any similar

provision of law. Notwithstanding the foregoing, pursuant to Section 768.28, Florida Statutes, no agency or subdivision of the state shall be required to indemnify, insure, or assume any liability for the Commission's or any subcontractor's or other entity's negligence.

**17.00 Appropriation of Funds:**

**17.10** The State of Florida's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the Legislature. If applicable, Grantee's performance of its obligations under this Agreement is subject to an appropriation by the Grantee's Board of County Commissioners for the purposes set forth hereunder. The Commission acknowledges where the Grantee is a political subdivision of the State of Florida it is authorized to act in accordance with the Grantee's purchasing ordinance(s), laws, rules and regulations.

**18.00 Expiration of Agreement:** The Grantee agrees to complete the Project on or before June 30, 2016. If the Grantee does not complete the Project within this time period, this agreement will expire. Expiration of this agreement will be considered termination of the Project and the procedure

established in Article 9.00 of this agreement shall be initiated. For the purpose of this Article, completion of project is defined as the latest date by which services may have been provided or equipment funds may have been received as provided in the project description (Exhibit "A"). Unless otherwise extended by the Commission, all reimbursement invoices must be received by the Commission no later than August 15, 2016.

**19.00 Agreement Format:** All words used herein in the singular form shall extend to and include the plural. All words used in the plural form shall extend to and include the singular. All words used in any gender shall extend to and include all genders.

### **21.00 Vendors and Subcontractors Rights:**

**21.10 Vendors** (in this document identified as the Grantee) providing goods and services to the Commission will receive payments in accordance with section 215.422, Florida Statutes. The parties hereto acknowledge Section 215.422, Florida Statutes, and hereby agree that the time in which the Commission is required to approve and inspect goods and services shall be for a period not to exceed eleven (11) working days upon receipt of a proper invoice. The Florida Department of Transportation has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services after receiving an approved invoice from the Commission. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within forty (40) days after receipt of the invoice and receipt, inspection and approval of goods and services, a separate interest penalty per day (as defined by Rule) will be due and payable, in addition to the invoice amount to the Grantee. The interest penalty provision applies after a 35 day time period to health care providers, as defined by rule. Interest penalties of less than one (1) dollar will not be enforced unless the Grantee requests payment. Invoices which have to be returned to a Grantee because of vendor preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Commission.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from the Commission. The Vendor Ombudsman may be contacted at (850) 413-5516 or toll free (877) 693-5236.

**21.20 Payment to Subcontractors:** Payment by the Grantee to all subcontractors with approved third party contracts shall be in compliance with Section 287.0585, Florida Statutes. Each third party contract from the Grantee to a subcontractor for goods or services to be performed in whole or in part with Transportation Disadvantaged Trust Fund moneys, must contain the following statement:

When a contractor receives from a state agency any payment for contractual services, commodities, supplies, or construction contracts, except those construction contracts subject to the provisions of chapter 339, the contractor shall pay such moneys received to each subcontractor and supplier in proportion to the percentage of work completed by each subcontractor and supplier at the time of receipt of the payment. If the contractor receives less than full payment, then the contractor shall be required to disburse only the funds received on a pro rata basis with the contractor, subcontractors, and suppliers, each receiving a prorated portion based on the amount due on the payment. If the contractor without reasonable cause fails to make payments required by this section to subcontractors and suppliers within seven (7) working days after the receipt by the contractor of full or partial payment, the contractor shall pay to the subcontractors and suppliers a penalty in the amount of one-half of one percent of the amount due, per day, from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed 15 percent of the outstanding balance due. In addition to other fines or penalties, a person found not in compliance with any provision of this subsection may be ordered by the court to make restitution for attorney's fees and all related costs to the aggrieved party or the Department of Legal Affairs when it provides legal assistance pursuant to this section. The Department of Legal Affairs may provide legal assistance to subcontractors or vendors in proceedings brought against contractors under the provisions of this section.

The Clerk's office will then forward the Initial Contract Form to Contracts Administration and the contract will be entered into the Contract Monitoring System. This initial entry will generate an entry on your monthly contract report and the first report will always show a "Required Action" for the contract. See AO-29 for additional information.
