<b>SUBJECT:</b>	Brevard County Shore Protection Project North and South Reaches, State Grant 15BE4 (D-2, D3 and D-5) <b>Fiscal Impact:</b> \$281,914.23 in Tourist Development Tax Revenues to Match \$264,478.77 in State Funding

---------------------	---

**Requested Action:**

It is requested that the Board: 1) authorize the Chairman to execute a grant agreement substantially in the form of Attachment A, between Brevard County and the State of Florida, with County Attorney and Risk Management approval, to accept State funds for this project; 2) waive legal venue in Brevard County, as the current agreement indicates legal venue in Leon County; 3) authorize the County Manager or designee to execute future amendments to this contact as well as task orders or contracts as required and in excess of \$100,000.00, to accomplish the work approved under this State Contract; and 4) authorize any necessary budget change requests.

**Summary Explanation & Background:**

On May 10, 2011 the Board approved grant Agreement 11BE1 with the Florida Department of Environmental Protection (FDEP) to obtain state matching funds for beach restoration efforts in the Brevard County Shore Protection Protect North and South Reaches. Since then the Board has approved two amendments to that Agreement to continue funding the North and South Reach projects.

On March 21, 2016, the County received notification from FDEP that the Department intended to closeout 11BE1. In order to provide a seamless transition and maintain state matching funds for the North and South Reaches, FDEP is shifting the remaining 11BE1 State funds (\$60,403.18) into a new agreement, 15BE4, and adding additional State match (\$204,075.59). The new grant contract, 15BE4, will provide \$264,478.77 in State funds, for \$281,914.23 in County funds for a total of \$546,393.00. The local share for all work under the new grant 15BE4 will be provided by the tourism development tax, dedicated beach improvement fund.

**Fiscal Impact:** Of the \$546,393.00 in Grant 15BE4, up to \$264,478.77 is to be reimbursed by FDEP and Local Match of up to \$281,914.23 will be paid from the approved Tourism Development Tax Beach Management Budget. These contract expenses will cross fiscal years and the impacts that will occur in each fiscal year are estimated below:

FY 15-16 Up to \$119,265 in State match (Fund 1700/TBD) with up to \$127,128 in local match from fund 1442/293100  
FY 16-17 Up to \$145,214 in State match (Fund 1700/TBD) with up to \$154,786 in local match from fund 1442/293100

**BREVARD COUNTY SHORE PROTECTION PROJECT (NORTH AND SOUTH REACHES)**

THIS AGREEMENT is entered into between the FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (hereinafter referred to as the "DEPARTMENT"), whose address is 3900 Commonwealth Boulevard, MS 3601, Tallahassee, Florida 32399, and BREVARD COUNTY, a local government (hereinafter referred to as the "LOCAL SPONSOR"), whose address is Brevard County Natural Resources 2725 Judge Fran Jamieson Way – Building A-219 Viera, Florida 32940, for the project described herein.

WHEREAS, the DEPARTMENT, pursuant to Section 161.091 - Section 161.161, Florida Statutes, provides financial assistance to eligible governmental entities for beach erosion control and inlet management activities under the Florida Beach Management Funding Assistance Program; and

WHEREAS, pursuant to 62B-36.005(1)(d), Florida Administrative Code, the LOCAL SPONSOR has resolved to support, serve as local sponsor, demonstrated a financial commitment to the beach erosion control project as described herein, and has the ability to perform the tasks associated with the project described herein.

NOW, THEREFORE, in consideration of the mutual benefits to be derived here from, the DEPARTMENT and the LOCAL SPONSOR do hereby agree as follows:

1. The DEPARTMENT does hereby retain the LOCAL SPONSOR to implement the beach erosion control project known as the **BREVARD COUNTY SHORE PROTECTION PROJECT (NORTH AND SOUTH REACHES)**, (hereafter referred to as the PROJECT), as defined in **Attachment A (Grant Work Plan)**, attached hereto and made a part hereof. The LOCAL SPONSOR does hereby agree to perform such services as are necessary to implement the PROJECT in accordance with the terms and conditions set forth in this Agreement, and all attachments and exhibits named herein that are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee", "Recipient" and "Local Sponsor" are used interchangeably.
2. This Agreement shall begin on the last date executed and end on **August 31, 2018**. Pursuant to Section 161.101 (18), Florida Statutes, and 62B-36.009, Florida Administrative Code, work conducted on this PROJECT by the LOCAL SPONSOR or its subcontractor and approved by the DEPARTMENT beginning on May 1, 2011, may be eligible for reimbursement by the DEPARTMENT.
3. The LOCAL SPONSOR shall implement the PROJECT and complete said PROJECT upon the terms and conditions set forth in this Agreement and all present and future requisite authorizations and environmental permits. The PROJECT consists of permit renewals for North and South Reaches, post-construction monitoring and annual physical monitoring.
4. For tasks, as specified in Table 1 in Attachment A, the LOCAL SPONSOR shall develop a detailed Scope of Work which shall include a narrative description of each task, a corresponding detailed budget for each deliverable under that task and a schedule for completion of each task and deliverable. Each Scope of Work shall be approved by the DEPARTMENT as to content, deliverables, and schedule prior to incorporating into the approved grant work plan as an amendment or change order to this Agreement pursuant to paragraph 39.

5. The DEPARTMENT has determined that 98.52 percent of the non-federal PROJECT cost is eligible for state cost sharing. Therefore, the DEPARTMENT's financial obligation shall not exceed the sum of \$264,478.77 for this PROJECT or up to 46.74 percent of the non-federal PROJECT cost for Tasks 2.1, 4.1, 4.2, and 4.3, and up to 49.26 percent for Tasks 2.2, 4.4, and 4.5, if applicable, for the specific eligible PROJECT items listed, whichever is less. Any indicated federal cost sharing percentage is an estimate and shall not affect the cost sharing percentages of the non-federal share.
6. The DEPARTMENT and the LOCAL SPONSOR agree that any and all activities associated with the PROJECT that are not shown in the Grant Work Plan in Attachment A are the responsibility of the LOCAL SPONSOR and are not a part of this Agreement. The LOCAL SPONSOR agrees that any costs for the specific eligible PROJECT tasks that exceed the estimated PROJECT costs for that task shall be the responsibility of the LOCAL SPONSOR. Any modifications to the estimated TOTAL PROJECT COSTS shown in Attachment A, Table 1, shall be provided through formal amendment to this Agreement.
7. All notices and written communication between the parties shall be sent by electronic mail, United States Mail, a courier delivery service, or delivered in person. 11. Any and all equipment, products or materials necessary to perform these services, or requirements as further stated herein, shall be supplied by the LOCAL SPONSOR.
12. The LOCAL SPONSOR shall submit a request for reimbursement of funds on the forms provided as **Attachment D (Request for Payment, PARTS I – IV)**, attached hereto and made a part hereof. These forms are to be submitted upon completion of deliverables identified in the approved Grant Work Plan. These forms shall be certified as accurate by the LOCAL SPONSOR's Project Manager and the LOCAL SPONSOR's Project Financial Officer and submitted to the DEPARTMENT as a payment request. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. All requests for the reimbursement of travel expenses shall be based on the travel limits established in Section 112.061, Florida Statutes. A final invoice shall be due no later than thirty (30) calendar days following the completion date of this Agreement. The DEPARTMENT will not release funds for construction activities until such time as all requisite authorizations, environmental permits, and variances, including those required pursuant to Chapters 161, 253, 258 and 373, Florida Statutes, have been obtained. The final payment will not be processed until the match requirement has been met.
16. The DEPARTMENT's Project Manager shall have thirty (30) calendar days after receipt of each request for payment to determine that the work has been accomplished in accordance with the terms and conditions of this Agreement prior to approving the request for payment. It is understood and agreed that any request for payment that requires the DEPARTMENT to request additional information of the LOCAL SPONSOR shall stop time for the DEPARTMENT's review period and will reset when such information is received as requested by the DEPARTMENT. Upon approval of the request for payment, the DEPARTMENT shall disburse the funds due the LOCAL SPONSOR. Retainage of 10% of the disbursement may be held on account for each deliverable in the disbursement that represents a portion of the complete subtask. The cumulative amount retained for each eligible

deliverable item shall be disbursed to the LOCAL SPONSOR after the DEPARTMENT has certified that the LOCAL SPONSOR has complied with all the terms and conditions of the Agreement. The DEPARTMENT will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. When requested, this information must be provided within thirty (30) calendar days of such request. If applicable, the LOCAL SPONSOR may also be required to submit a cost allocation plan to the DEPARTMENT in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits).

17. For the duration of this Agreement, the LOCAL SPONSOR shall submit to the DEPARTMENT's Project Manager on a quarterly basis, **Attachment D (Project Progress Report, Part III of the Request for Payment package)**, as updates to the PROJECT schedule, no later than thirty (30) calendar days following the completion date of the quarterly reporting period in which the PROJECT is underway. The term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30, and December 31. Progress reports are to be submitted electronically in Microsoft Word ® (.doc) or Adobe Acrobat ® (.pdf). Information provided shall be the best available and shall represent the most accurate forecast of future events. Specific information to be included in the quarterly report: tasks to be completed, start and finish dates, task duration, and actual start and finish dates with actual task duration. In cases where no reimbursement is sought for a given quarter, all applicable portions of the progress report must still be completed and submitted. 18. Upon completion of a task or the PROJECT, the LOCAL SPONSOR shall submit to the DEPARTMENT a certification of completion, attached hereto as **Attachment E (Project Completion Certification)**. A final PROJECT certification inspection shall be made by the DEPARTMENT within sixty (60) calendar days after the PROJECT is certified complete by the LOCAL SPONSOR.
19. The LOCAL SPONSOR shall, at a minimum, comply with monetary limits for competitive acquisition of both materials and services as required by Chapters 287 and 255, Florida Statutes, as applicable, and Subsection 161.101(17), Florida Statutes, which are expressly made a part of this Agreement and incorporated herein by reference as if fully set forth.
  - A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which 50 percent or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state, college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:
    - 1) The contractor's maintaining an office or place of business within a particular local jurisdiction;
    - 2) The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
    - 3) The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.
  - B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

20. The applicable provisions of Chapter 161, Florida Statutes, entitled "Dennis L. Jones Beach and Shore Preservation Act", and any rules promulgated therefrom, are expressly made a part of this Agreement and are incorporated herein by reference as if fully set forth.
21. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.
22.
  - A. The DEPARTMENT may terminate this Agreement at any time in the event of the failure of the LOCAL SPONSOR to fulfill any of its obligations under this Agreement. Prior to termination, the DEPARTMENT shall provide ten (10) calendar days' written notice of its intent to terminate and shall provide the LOCAL SPONSOR an opportunity to consult with the DEPARTMENT regarding the reason(s) for termination.
  - B. The DEPARTMENT may terminate this Agreement without cause and for its convenience by giving thirty (30) calendar days' written notice to the LOCAL SPONSOR. Notice shall be sufficient if delivered pursuant to paragraph 7 as set forth in this Agreement.
  - C. The DEPARTMENT may terminate this Agreement in the event that all tasks identified in **Attachment A, Grant Work Plan** have been certified complete and approved by the DEPARTMENT, and all eligible reimbursements have been provided to the LOCAL SPONSOR. Prior to termination, the DEPARTMENT shall provide ten (10) calendar days' written notice of its intent to terminate and shall provide the LOCAL SPONSOR an opportunity to consult with the DEPARTMENT to verify that all eligible items have been completed and reimbursed.
23. No payment will be made for deliverables deemed unsatisfactory by the DEPARTMENT. In the event that a deliverable is deemed unsatisfactory by the DEPARTMENT, the LOCAL SPONSOR shall perform the services again as needed for submittal of a satisfactory deliverable, at no additional cost to the DEPARTMENT, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the DEPARTMENT may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the DEPARTMENT'S Project Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the LOCAL SPONSOR to the DEPARTMENT. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.
  - A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the DEPARTMENT. The CAP shall be sent to the DEPARTMENT'S Project Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the DEPARTMENT shall notify the LOCAL SPONSOR in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the LOCAL SPONSOR shall have ten (10) calendar days from receipt of the DEPARTMENT letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the DEPARTMENT approval of a CAP as specified above shall result in the DEPARTMENT'S termination of this Agreement for cause as authorized in this Agreement.
  - B. Upon the DEPARTMENT'S notice of acceptance of a proposed CAP, the LOCAL SPONSOR shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the DEPARTMENT does not relieve the LOCAL SPONSOR of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by LOCAL SPONSOR, the DEPARTMENT shall

retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the DEPARTMENT or steps taken by the LOCAL SPONSOR shall preclude the DEPARTMENT from subsequently asserting any deficiencies in performance. The LOCAL SPONSOR shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the DEPARTMENT as requested by the DEPARTMENT's Project Manager.

- C. Failure to respond to the DEPARTMENT's request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the DEPARTMENT may result in termination of this Agreement.

The remedies set forth above are not exclusive and the DEPARTMENT reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by this Agreement.

- 24. Records made or received in conjunction with this Agreement are public records. This Agreement may be unilaterally canceled by the DEPARTMENT for unlawful refusal by the LOCAL SPONSOR to allow public access to all documents, papers, letters, or other material made or received by the LOCAL SPONSOR in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes and Section 24(a) of Article I of the State Constitution.
- 25.
  - A. The LOCAL SPONSOR shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The DEPARTMENT, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date of this Agreement. In the event any work is subcontracted, the LOCAL SPONSOR shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
  - B. The LOCAL SPONSOR understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the DEPARTMENT's Inspector General in any investigation, audit, inspection, review, or hearing. The LOCAL SPONSOR will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.
- 26.
  - A. In addition to the requirements of the preceding paragraph, the LOCAL SPONSOR shall comply with the applicable provisions contained in **Attachment F (Special Audit Requirements)**, attached hereto and made a part hereof. **Exhibit 1 to Attachment F** summarizes the funding sources supporting the Agreement for purposes of assisting the LOCAL SPONSOR in complying with the requirements of **Attachment F**. A revised copy of **Exhibit 1** must be provided to the LOCAL SPONSOR for each amendment that authorizes a funding increase or decrease. If the LOCAL SPONSOR fails to receive a revised copy of Exhibit 1, the LOCAL SPONSOR shall notify the DEPARTMENT's Grant Administrator at 850/245-2970, to request a copy of the updated information.

B. The LOCAL SPONSOR is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The LOCAL SPONSOR shall consider the type of financial assistance (federal and/or state) identified in **Attachment F, Exhibit 1** when making its determination. For federal financial assistance, the LOCAL SPONSOR shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section \_\_\_.210 for determining whether the relationship represents that of a sub recipient or vendor. For state financial assistance, the LOCAL SPONSOR shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

Any action hereon or in connection herewith shall be brought in Leon County, Florida.
30. No delay or failure to exercise any right, power or remedy accruing to either party upon breach or default by either party under this Agreement, shall impair any such right, power or remedy of either party. Nor shall such delay or failure be construed as a waiver of any such breach or default, or any similar breach or default thereafter.
31. To the extent required by law, the LOCAL SPONSOR will be self-insured against, or will secure and maintain during the life of this Agreement, Workers' Compensation Insurance for all of its employees connected with the work of this PROJECT. In the case any work is subcontracted, the LOCAL SPONSOR shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the subcontractor's employees unless such employees are covered by the protection afforded by the LOCAL SPONSOR. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation Law, Chapter 440, Florida Statutes. In case any class of employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the LOCAL SPONSOR shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the DEPARTMENT, for the protection of its employees not otherwise protected.

32. To the extent required by law, the Grantee will secure and maintain insurance coverages in the amounts and categories specified below, during the life of this Agreement. In addition, the Grantee shall include these requirements in any sub grant or subcontract issued for the performance of the work specified in **Attachment A, Grant Work Plan**. Questions concerning required coverage should be directed to the U.S. Department of Labor (<http://www.dol.gov/owcp/dlhwc/lcontac.htm>) or to the parties' insurance carriers.
- E. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The Grantee's current certificate of insurance shall contain a provision that the

insurance will not be canceled for any reason except after thirty (30) calendar days' written notice (with the exception of non-payment of premium which requires a 10-calendar-day notice) to the Department's Procurement Administrator. In addition, the Grantee shall include these requirements in any sub grant or subcontract issued for the performance of the work specified in **Attachment A, Grant Work Plan**.

- F. If the Grantee is a Florida governmental entity that is self-funded for liability insurance, this paragraph 32.F. supersedes 32.A. through E., above.

33. This Agreement is neither intended nor shall it be construed to grant any rights, privileges or interest in any third party without the mutual written agreement of the parties hereto.

Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity at (850) 487-0915.
35. A. The accounting systems for all LOCAL SPONSORS must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. LOCAL SPONSORS are prohibited from commingling funds on either a program-by-program or a PROJECT-by-PROJECT basis. Funds specifically budgeted and/or received for one PROJECT may not be used to support another PROJECT. Where a LOCAL SPONSOR's, or subrecipient's, accounting system cannot comply with this requirement, the LOCAL SPONSOR, or subrecipient, shall establish a system to provide adequate fund accountability for each PROJECT it has been awarded.
- B. If the DEPARTMENT finds that these funds have been commingled, the DEPARTMENT shall have the right to demand a refund, either in whole or in part, of the funds provided to the LOCAL SPONSOR under this Agreement for non-compliance with the material terms of this Agreement. The LOCAL SPONSOR, upon such written notification from the DEPARTMENT shall refund, and shall forthwith pay to the DEPARTMENT, the amount of money demanded by the DEPARTMENT. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the DEPARTMENT by the LOCAL SPONSOR to the date repayment is made by the LOCAL SPONSOR to the DEPARTMENT.
- C. In the event that the LOCAL SPONSOR recovers costs, incurred under this Agreement and reimbursed by the DEPARTMENT, from another source(s), the LOCAL SPONSOR shall

reimburse the DEPARTMENT for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the LOCAL SPONSOR to the date repayment is made to the DEPARTMENT by the LOCAL SPONSOR.

36. A. The LOCAL SPONSOR shall not subcontract, assign, or transfer any work under this Agreement without the prior written consent of the DEPARTMENT's Project Manager. Regardless of any subcontract, the LOCAL SPONSOR is ultimately responsible for all work to be performed under this Agreement. The LOCAL SPONSOR shall submit a copy of the executed subcontract to the DEPARTMENT within ten (10) calendar days after execution. The LOCAL SPONSOR agrees to be responsible for the fulfillment of all work elements included in any subcontract consented to by the DEPARTMENT and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the LOCAL SPONSOR that the DEPARTMENT shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the LOCAL SPONSOR shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The LOCAL SPONSOR will be responsible for auditing all travel reimbursement expenses based on the travel limits established in Section 112.061, Florida Statutes.
1. The LOCAL SPONSOR may award, on a competitive basis, fixed price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the DEPARTMENT for fixed price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (Invitation to Bid or Request for Proposals) resulting in the fixed price subcontract.
  2. The LOCAL SPONSOR may request approval from the DEPARTMENT to award a fixed price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the LOCAL SPONSOR shall request the advance written approval from the DEPARTMENT's Project Manager of the fixed price negotiated by the LOCAL SPONSOR. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the DEPARTMENT Project Manager's approval of the fixed price amount, the LOCAL SPONSOR may proceed in finalizing the fixed price subcontract.
  3. All subcontracts are subject to the provisions of this Agreement which affect subcontracting activities.
- B. The DEPARTMENT supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of Minority Owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
37. When applicable, the LOCAL SPONSOR shall also notify the DEPARTMENT's Project Manager of the selection of an intended subcontractor for a construction task and provide a tabulation list from which the intended subcontractor was selected. The LOCAL SPONSOR shall also provide the bid form for the successful bidder. The LOCAL SPONSOR shall select eligible consultants licensed to offer services in the State of Florida for studies, design and permitting and monitoring tasks in accordance with Chapter 287, F. S. Upon the DEPARTMENT's request, the LOCAL SPONSOR shall furnish copies of the respective solicitation documents. Solicitation documents include, but are not

limited to, the solicitation and responses thereto, the bid tabulations, and the resulting contract(s), including a detailed Scope of Work.

38. The purchase of non-expendable equipment costing \$1,000 or more is not authorized under the terms and conditions of this Agreement.
39. The DEPARTMENT may at any time, by written order designated to be a change order, make any minor modifications, as described below. All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change, which causes an increase or decrease in the LOCAL SPONSOR's cost or time, shall require formal amendment to this Agreement. Minor modifications which will be handled with a change order include notification of a modification of deliverable due dates when such change does not involve an extension of contract, and modifying the Grant Work Plan when such modifications would not involve a decrease/increase in total cost of the Agreement or an extension of the performance period of this Agreement.
40. The LOCAL SPONSOR shall comply with all applicable federal, state and local rules and regulations in providing services to the DEPARTMENT under this Agreement. The LOCAL SPONSOR acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The LOCAL SPONSOR further agrees to include this provision in all subcontracts issued as a result of this Agreement.
41. The LOCAL SPONSOR shall obtain from each owner of upland property, which is adjacent to the erosion control PROJECT, a sufficient property interest in order to construct, maintain, monitor, and repair the erosion control PROJECT prior to entering each individual property to conduct such activities.
42. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the LOCAL SPONSOR shall promptly notify the DEPARTMENT orally. Within seven (7) calendar days, the LOCAL SPONSOR shall notify the DEPARTMENT in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the LOCAL SPONSOR's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the DEPARTMENT may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the DEPARTMENT accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the LOCAL SPONSOR, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the LOCAL SPONSOR and/or the DEPARTMENT. The LOCAL SPONSOR is responsible for the performance of all services issued under this Agreement. Failure to perform by the LOCAL SPONSOR's consultant(s) or subcontractor(s) shall not constitute a force majeure event.
43. This Agreement may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

44. State and federal monitoring required by permit is eligible for reimbursement pursuant to program statute and rule. In order to comply with Florida Auditor General report 2014-064 regarding conflicts of interest and to be consistent with s. 287.057(17)(a)(1), Florida Statutes, all monitoring data and statistical analysis must be provided directly and concurrently from the monitor to the DEPARTMENT/LOCAL SPONSOR/permittee/consultant. The LOCAL SPONSOR must provide an adequate mitigation plan, consistent with s. 287.057(17)(a)(1), Florida Statutes, including a description of organizational, physical, and electronic barriers to be used by the LOCAL SPONSOR, that addresses conflicts of interest when contracting multi-disciplinary firms for PROJECT engineering and post-construction environmental monitoring services, or when the PROJECT engineering firm subcontracts for post-construction environmental monitoring. Environmental monitoring includes hardbottom, seagrass, and mangrove resources. DEPARTMENT approval of the mitigation plan will be required prior to execution of this Agreement.
45. This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

**Project Location:** The North Reach is approximately 9.8 miles long, and is located at DEPARTMENT Range (R) Monuments R-1 and R-54.5. The South Reach is approximately 3.8 miles long, and is located between DEPARTMENT R-Monuments R-118.3 and R-139.

**Project Background:** Nourishment of approximately 13.6 miles of shoreline located between DEP Monuments R1 - R54.5 and R118.3 - R139 in Brevard County. The PROJECT consists of two reaches. The North Reach is approximately 9.8 miles in length and is located immediately south of Port Canaveral. Initial restoration of the North Reach was completed in 2001. The South Reach is approximately 3.8 miles in length. Initial restoration for the South Reach was completed in 2003 and nourishment was completed in 2010. Nourishment of both segments was completed in 2014. This event included storm repairs for damages sustained during Hurricane Sandy.

The 2010 and 2014 Legislature provided an appropriation to Brevard County for the Brevard County Shore Protection Project (North and South Reaches) and DEP Agreement 11BE1 was executed on 05/18/2011 with that funding. This PROJECT is to obtain permit renewals for North and South Reaches, post-construction monitoring and annual physical monitoring and Brevard County has requested that the remaining appropriation from 11BE1 be encumbered into a new agreement to reimburse eligible work identified in the Local Government Funding Request application and the Department has agreed.

The PROJECT shall be conducted in accordance with the terms and conditions set forth under this Agreement, all applicable DEPARTMENT permits and the eligible PROJECT task items established below. All data collection and processing, and the resulting product deliverables, shall comply with the standards and technical specifications contained in the DEPARTMENT'S Monitoring Standards for Beach Erosion Control Projects (2014) and Processing Plan and Geographic Information System Guidelines, unless otherwise specified in the approved Scope of Work (herein after referred to as SOW) for an eligible PROJECT item. This plan may be found at <http://www.dep.state.fl.us/beaches/publications/pdf/PhysicalMonitoringStandards.pdf>. One (1) electronic copy of all written reports developed under this Agreement shall be forwarded to the DEPARTMENT, unless otherwise specified.

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.) Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- 
- |              |   |
|--------------|---|
| (1) Salaries | A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable. |
|--------------|---|
- 
- |                     |   |
|---------------------|---|
| (2) Fringe Benefits | Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.<br><br>Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits. |
|---------------------|---|
- 
- |            |   |
|------------|---|
| (3) Travel | Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher. |
|------------|---|
- 
- |                        |  |
|------------------------|--|
| (4) Other direct costs | Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State. |
|------------------------|--|
- 
- |                      |   |
|----------------------|---|
| (5) In-house charges | Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable. |
|----------------------|---|
- 
- |                    |   |
|--------------------|---|
| (6) Indirect costs | If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown. |

#### MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

#### AUDITS

##### **PART I: FEDERALLY FUNDED**

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. 1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
