BOARD OF COUNTY COMMISSIONERS

2022 ANNUAL REPORT

Advisory Board Name: Brevard County Historical Commission

Meeting Dates and Attendance Records for 2022:

(See Attachment)

There were a total of 10 scheduled meetings in FY 2022, with the board taking a winter break in December 2021, and a summer break in June 2022. The August and September 2022 meetings were cancelled due to the Board of County Commissioners addition of County Ordinance 2022-13, which limits County Advisory Boards to four(4) meetings per year.

Accomplishments or Work Product for 2022:

The board accomplished several projects in FY 2022.

- Produced new ADA compliance format of the Indian River Journal as well as printing and distribution.
- Distributed copies of historic Brevard, the Historical Commission's 72-page guide to Brevard County's historic sites and landmarks, to several locations, including Melbourne City Hall, Exploration Tower and Jetty Park.
- Dedication of two new State Historical Markers, the Dennis Sawyer Memorial Park & Cemetery and the Legacy of Dennis Sawyer at Mt. Olive AME Church.
- Oral history Interviews: 1. African American History; Mr. Mitchell on the Mims Citrus Industry, 2. Bernice West & Dr. George Fayson on the Joynerville Community (Titusville), 3. Evelyn Bell & Nancy Elmore (Williams) on Schools & Teaching, Community events, Churches, Traditions.
- Planning for establishment of the "Brevard Heritage Center". This collaboration between the North Brevard Historical Foundation (NBHF), the Brevard County Historical Commission (BCHC) and Field Manor is in its conceptual planning stages. The proposal is for these three organizations to partner and create an Eco/Heritage tourism destination and interactive educational community center, located at the Field Manor property on Merritt Island.

BOARD OF COUNTY COMMISSIONERS

2022 ANNUAL REPORT

Accomplishments or Work Product for 2022: *(continued)*

- The BCHC will participate in programs, exhibits, lectures and workshops and will develop presentations and publications in support of this. At this time, NBHF and Field Manor have come to an agreement to develop the property as well as the BCHC voting unanimously in support of the partnership. Finalization will be signed after attorney review and final approval. A draft conceptual plan has been created and NBHF is soliciting support from local architectural firms to finalize. In July, it was agreed upon that the name would be changed from Brevard heritage Park to Brevard Heritage Center because of the central location in the County. This central location will also better allow for the BCHC and other historical organizations to make it easier to assist in bringing the rich and diverse history of Brevard County to the public in order to promote heritage tourism. This will ultimately be a community project. Work is currently in progress on the preparation of a phased work plan for development.

Recommendations or Suggestions for the Board:

It is recommended/suggested by the members of the Brevard County Historical Commission that:

- The Board of County Commissioners allow the board members of the BCHC to be more active in the planning and design of the BCHC website. This site is extremely outdated and should have more historical information, pictures and content including display of meeting minutes and information regarding on its commissioners that serve the public.

BOARD OF COUNTY COMMISSIONERS

2022 ANNUAL REPORT

Goals for 2023:

Goals discussed for FY 2023 include:

- Continue to compile stories as well as publication and distribution of the Indian River Journal. If possible, If the BCHC has sufficient funds available and time remaining at the end of the year, consider publication of a second edition of the popular Indian River Journal, in a "mini" format to save money while continuing to celebrate events in Brevard County history.
- Continue work with the North Brevard Historical Foundation on a phased work plan for the Brevard Heritage Center.
- Assist in the acquisition and restoration of historic structures and artifacts for the Brevard heritage Center.
- Continuation of assistance in the development of the Brevard Heritage Center.
- Work on plan for BCHC presentations, lectures, exhibits, etc. for the Brevard Heritage Center.
- Develop Educational programs/publications for presentations to schools and student groups.
- Continue to identify and compile information for State historical markers.
- Continue to Identify and record oral histories.
