Dept/Office:

Planning and Development

Requested Action:

In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and contract for Village 2, Neighborhood 2 - Phase 2.

Summary Explanation and Background:

There are three stages of review for subdivision plan approval: the pre-application conference, the preliminary plat/final engineering plan review, and the final plat review. The pre-application conference for Village 2, Neighborhood 2 was held on September 1, 2023. The preliminary plat and final engineering plans, which is the second stage of approval, were approved on October 30, 2024. The third stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Staff has reviewed the final plat and contract for Village 2, Neighborhood 2 - Phase 2, and has determined that it complies with the applicable ordinances.

Village 2, Neighborhood 2 - Phase 2 is located within the Viera DRI, on the east side of Lake Andrew Drive, north of Pineda Cswy. The proposed subdivision includes 7 lots and infrastructure improvements for future development on 207.16 acres. Potable water for the subdivision will be provided by the City of Cocoa. Sanitary sewer service will be provided by Brevard County.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.
