DEPT/OFFICE:

REQUESTED ACTION:

Conduct the second public hearing for an ordinance establishing a temporary moratorium prohibiting any and all overnight commercial paid parking lots within the unincorporated areas of Brevard County.

SUMMARY EXPLANATION and BACKGROUND:

On March 20, 2018, the Board of County Commissioners conducted the second public hearing for an ordinance establishing overnight commercial parking as a Conditional Use Permit in BU-1, BU-2, PBP, IU, and IU-1 zoning classifications. The Board voted to table the second public hearing to April 24, 2018, and directed staff to prepare revisions to the Code with respect to commercial parking lots and require the review of the impacts, including traffic and drainage that overnight commercial parking lots have on the community. In addition, the Board voted to include a moratorium prohibiting any and all overnight commercial paid parking lots.

This ordinance proposes a temporary moratorium on overnight commercial paid parking lots within the unincorporated areas of Brevard County. The moratorium will sunset upon the sooner of the following: 1.) six months from date of adoption, 2.) the Board's enactment of an ordinance regulating overnight commercial paid parking lots, or 3.), the repeal of this ordinance by the Board.

The first hearing of this ordinance was approved by the Board on April 5, 2018.

The Local Planning Agency heard the proposed ordinance on April 9, 2018, and recommended approval.

CLERK TO THE BOARD INSTRUCTIONS:

If approved, please file the ordinance with the State, and return a certified copy to Planning and Development.
