### Requested Action:

Motion to Authorize BOCC Chair to send a letter to Space Coast League of Cities Respectfully Requesting it Consider Permitting Rocky Randels to Continue Serving on the East Central Florida Regional Planning Council, Dist. 2

### Summary Explanation and Background:

In the time that Commissioner Lober has been involved with the ECFRPC, wherein he presently serves on its Executive Committee, he has come to learn of the tremendous ongoing contributions of Rocky Randels who currently represents the Space Coast League of Cities on it. Commissioner Lober continues to enjoy an excellent working relationship with Rocky Randels. This relationship serves to benefit not only the residents of the City of Cape Canaveral but also those of Brevard County as a whole.

It has come to Commissioner Lober's attention that the League of Cities may be able to appoint individuals who do not presently serve as elected officials onto the ECFRPC.

As such, on November 13, 2019, following a number of positive comments regarding the exemplary service of Rocky Randels, on the ECFRPC, Commissioner Lober moved that the ECFRPC authorize the Chair of the ECFRPC, or his designee, to send a letter to the Space Coast League of Cities encouraging it to consider permitting Rocky Randels to continue serving on the ECFRPC. Without objection from any member of the ECFRPC, the Chair agreed to draft said letter and send it to the Space Coast League of Cities.

This agenda item seeks to authorize the BOCC Chair to send a letter to the Space Coast League of Cities respectfully requesting it consider permitting Rocky Randels to continue serving on the ECFRPC.
