AGENDA REPORT
BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS

SUBJECT:	Legislative Intent and permission to advertise Ordinance rescinding select company Economic Development Tax Exemption Abatements
DEPT/OFFICE:	County Manager's Office / Management Services Group

Requested Action:
 It is requested that the Board of County Commissioners approve legislative intent and grant permission to advertise an ordinance rescinding Economic Development Tax Exemption abatements of select companies that no longer qualify.

Summary Explanation & Background:

The Brevard County Economic Development Tax Exemption abatement program requires that all companies participating in the abatement program maintain its eligibilty as set forth in its original application to the County. Eligibility is reviewed on an annual basis of those companies participating in the tax abatement program. Annual reports with employment verification information such as IRS form 941 or a RT6 form are reviewed with the Property Appraiser's Office each year.

This year one company in the County Economic Development Tax Exemption Abatement program no longer qualifies under the program guidelines.

1. Spilker Roofing & Sheet Metal Company, Ordinance 2007-41, 130 North Plumosa Street, Merritt Island, Fl.

This company no longer qualifies as they have either not created the minimum jobs, wage requirement or have not submitted an Annual Report required per Florida Statutes. Certified letters were sent notifying the companies that the Board of County Commissioners was considering rescinding their ordinances.
