BOARD OF COUNTY COMMISSIONERS

Resolution

WHEREAS, TAYLOR RENDINA, PAUL HENRY, MATTHEW CHAMPAGNE, and JACOB JOHNSON have received recognition by completing a school-based project that addresses substantive issues with pollution in the Indian River Lagoon, and how with the help of the government this problem could be fixed; and

WHEREAS, these students have worked extensively towards addressing the problem that has occurred in the Indian River Lagoon by researching how the problem has occurred, what people have done to try to address the issue and demonstrate how faith in governmental action can lead to the restoration of the Indian River Lagoon; and

WHEREAS, the aforementioned students have demonstrated engagement through leadership with their school peers on restoration efforts that support the health of the Indian River Lagoon; and

WHEREAS, TAYLOR RENDINA, PAUL HENRY, MATTHEW CHAMPAGNE, and JACOB JOHNSON are currently Juniors attending Astronaut High School; and

WHEREAS, the lessons delivered through the creation of this project are critical to teaching about the dangers and impacts of pollution on the Indian River Lagoon and subsequent negative impact on human, animal and plant life; and the lessons also demonstrate that government must be involved so that the pollution can be corrected in order to reaffirm public confidence in government.

NOW THEREFORE, BE IT RESOLVED, THAT THE BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS, does hereby recognize and congratulate

TAYLOR RENDINA, PAUL HENRY, MATTHEW CHAMPAGNE AND JACOB JOHNSON

for their outstanding efforts in creating this documentary and offers congratulations and best wishes for a successful future.

DONE, ORDERED AND ADOPTED, in regular session this 9th day of March, 2021.
