

**September 1, 2015 Board Reports Item VIII.D. Curt Smith**

Fisher: Commissioner Smith

Smith: Yes, I've talked about CRAs before, I want to continue looking into CRAs, I've asked Scott Knox what we can do about, we have three that should be retired, I want to see how that, we go about that, what mechanism is available to us, that would amount to over a million dollars a year, that's a million dollars every year to the County, which we could use for roads; so that's my report.
