Subject:

Request of \$705,254.16 to replace current voter equipment - Supervisor of Elections

Fiscal Impact:

Dept/Office:

Supervisor of Elections, Tim Bobanic

Requested Action:

Brevard County Supervisor of Elections office requests \$705,254.16, which is the balance to complete the replacement of current voter equipment.

Summary Explanation and Background:

The current voting equipment, polling place voting tabulators, were purchased in 2013 and are now over a decade old. The voting equipment vendor has released a software update recently certified by the Florida Division of Elections which leaves our current tabulators incompatible with the new software.

The vendor is willing to replace all 200 now which will save costs in shipping and on-site support for acceptance testing.

This office is requesting the remaining \$705,254.16 in order to make this conversion immediately.
