WHEREAS, CERTIFIED REGISTERED NURSE ANESTHETISTS (CRNAs), also known as nurse anesthesiologists or nurse anesthetists, are advanced practice registered nurses who have been providing anesthesia care to patients in the United States for more than 150 years; and

WHEREAS, Legislation passed by Congress in 1986 made nurse anesthetists/anesthesiologists the first nursing specialty to be accorded direct reimbursement rights by Medicare; and

WHEREAS, CRNAs are primary anesthesia providers in rural communities and continue to be the primary providers of anesthesia care to U.S. military personnel; and

WHEREAS, CRNAs are qualified to make independent judgements regarding all aspects of anesthesia care based on their education, training and licensure; and
