City of Titusville  
Mayor Daniel Diesel  
P. O. Box 2806  
Titusville, FL 32781-2806

Dear Mayor Diesel,

The Brevard County Board of County Commissioners unanimously voted to enact legislation on August 2, 2022 that allows privately owned businesses to voluntarily self-certify as a "place specifically designated for recreational purposes and where children regularly congregate." This creates a restriction preventing sex offenders and sexual predators from being within 1,000 (ONE THOUSAND) feet of the location. Ordinance No. 2022-XX was this Board's effort to protect one of the most vulnerable populations within our County and received strong support from Sheriff Wayne Ivey.

The Board expanded protections that the State has already afforded public parks. Tax status should not determine the safety of children. Such private businesses may include, but are not limited to, dance studios, gymnastic facilities, and arcades.

Respecting the concept of home rule, the county ordinance does not impact businesses within your city's jurisdiction. Therefore, we encourage you to adopt a similar ordinance and expand the protection of children.

According to the Department of Justice Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering, and Tracking (SMART), convicted sex offenders and sex predators recidivate with a new sexual offense at a rate of about 5% after three years and 24% after 15 years. Further, "observed recidivism rates are underestimates of the true re-offense rates of sex offenders."

The Florida Department of Law Enforcement, reports 907 (NINE HUNDRED AND SEVEN) registered sexual offenders and sexual predators living within incorporated and unincorporated Brevard County as of August 4, 2022. Thank you for your consideration in this matter. Please contact any member of this Board, the County Attorney's Office, or the Sheriff with any questions.

Sincerely,

Kristine Zonka, Chair

Dear Private Business Owner,

Florida State Statute 948.30 prohibits sexual offenders and sexual predators from visiting a park, playground, school, childcare facility, and other places where children regularly congregate. However, Florida State Statute remains silent regarding many types of private businesses that cater to children. Tax status should not determine the safety of children.

The Brevard County Board of County Commissioners unanimously voted to enact Ordinance No. 2022-XX on August 2, 2022 that allows privately owned businesses, such as yours, to voluntarily self-certify as a "place specifically designated for recreational purposes and where children regularly congregate." This creates a restriction preventing sex offenders and sexual predators from being within 1,000 (ONE THOUSAND) feet of a business.

This registration is purely voluntary and has no cost for participation. Enforcement is the sole responsibility of law enforcement agencies such as the Brevard County Sheriff's Office.

The Florida Department of Law Enforcement reports 907 (NINE HUNDRED AND SEVEN) registered sexual offenders and sexual predators living within incorporated and unincorporated Brevard County as of August 4, 2022. To legally prevent these registered sexual offenders and sexual predators from coming within 1,000 feet of your business, please complete the enclosed form and return it using the self-addressed stamped envelope.

If you have any questions, please contact the County Attorney's Office by phone at (321) 633-2090.

Sincerely,

---
