INSTRUCTIONS

To Tax Collectors:

1. Use this for the last sheet on your report of discounts, errors, double assessments, and insolvencies.
2. Do not list any item without showing the reason for reduction in the right-hand column.
3. As much as possible, group together all items coming under one heading. For instance, place all errors under one heading, all double assessments under another, exemptions under another, etc.
4. For exemptions, specify whether widow, veteran, homestead, disability, etc.

Tax Collector Recapitulation

I, Lisa Cullen, Tax Collector of Brevard County, Florida, certify this is a report of all discounts, errors, double assessments, insolvencies, and federal bankruptcies on the assessment roll for 2022; that the discounts were actually earned for the month as shown; that the attached list shows all errors and double assessments as the property appraiser certified; that I have allowed no exemptions, other than those the attached list shows as certified by the property appraiser; that each item marked insolvent on the attached list is in fact insolvent and, although I have made a diligent search, I have been unable to find the tangible personal property to levy on to enforce the payment of the tax; and that I have not collected any of the items on the attached list.

I am entitled to credit against the 2022 assessment roll on the following amounts:
