**AGENDA REPORT**  
**January 22, 2019**

**Resolution Supporting the Passage of HB 141 and SB 216, District 3**

---

**SUBJECT:**

Resolution Supporting the Passage of HB 141 and SB 216

**DEPT/OFFICE:**

District 3

**REQUESTED ACTION:**

Board approval of the attached resolution

**SUMMARY EXPLANATION and BACKGROUND:**

Representative Randy Fine has filed HB 141 for consideration during the 2019 Regular Session. Should this bill pass and be signed into law, it would provide the County with opportunities to secure matching funding for major lagoon restoration projects.

**ATTACHMENTS:**

**Description**

- ▢ **Resolution in Support of HB 141**

January 23, 2019

**M E M O R A N D U M**

**TO:** John Tobia, Commissioner District 3

**RE:** Item J.6., Resolution Supporting the Passage of HB 141 and SB 216

The Board of County Commissioners, in regular session on January 22, 2019, tabled consideration of a resolution supporting the passage of House Bill 141 and Senate Bill 216 to a future Board meeting.

Your continued cooperation is greatly appreciated.

Sincerely yours,

BOARD OF COUNTY COMMISSIONERS  
SCOTT ELLIS, CLERK

**Resolution 19-\_\_\_\_\_**

**Supporting the Passage of House Bill 141 and Senate Bill 216 in Furtherance of Restoring the Indian River Lagoon**

**WHEREAS**, HB 141 has been introduced by Representative Randy Fine, Chairman of the Brevard Legislative Delegation; and

**WHEREAS**, a Senate companion bill, SB 216, has been introduced by Senator Gruters; and

**WHEREAS**, the Indian River Lagoon is an estuary of critical importance to the local, regional, and national ecology; and

**WHEREAS**, fishkills are frequently occurring within the Indian River Lagoon, including severe fishkills in 2016 and 2013; and

**WHEREAS**, algal blooms, including those which have a direct impact on the health of citizens and visitors of Brevard County, have occurred in 2018, 2016, 2015, 2013, 2012, and 2011; and

**WHEREAS**, Brevard County's brown tide is negatively impacting fisheries, recreation, tourism, and property values; and

**WHEREAS**, pollution of the Indian River Lagoon has been a major contributor to the loss of more than 60% of seagrass beds; and

**WHEREAS**, the potential restoration of the Indian River Lagoon has been projected to increase the economic impact of tourism by over \$997 million; and

**WHEREAS**, should the Indian River Lagoon not be restored, it is estimated that the local economy would lose approximately \$3 billion in tourism and recreation revenue; and

**WHEREAS**, this proposed legislation gives Brevard County and its partners the opportunity to request more than \$50 million in local match for projects benefiting the Indian River Lagoon; and

**WHEREAS**, it is the position of Brevard County that State funding is critical to restoring the Indian River Lagoon to its natural beauty; and

JL6  
tabbed

**WHEREAS**, such funding will be available for projects which would directly prevent sewage discharges into the Lagoon; and

**WHEREAS**, local match will also be available for septic-to-sewer conversion projects, which has been a focus of Brevard County and is included in the Save our Indian River Lagoon Project Plan approved by the Citizens' Oversight Committee; and

**WHEREAS**, these bills also increase accountability of the County and its partners in preventing unlawful sewage discharges into the Lagoon and other waterbodies, while affording the opportunity to remediate the problems which give rise to discharges in lieu of punitive measures.

**NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF COUNTY COMMISSIONERS OF BREVARD COUNTY FLORIDA** does let it be known that it supports the passage of House Bill 141 and Senate Bill 216 due to its desire to prevent pollution of, and to remove pollution from, the Indian River Lagoon.

DONE, ORDERED AND ADOPTED, in regular session, this 22<sup>nd</sup> Day of January, A.D., 2019.
