### Summary Explanation and Background:

The Sport Events Grant Program is to provide grants to sports-related organizations to support and enhance athletic events seeking financial assistance for events held on Florida's Space Coast. The grants are administered by the Sports Committee of the Tourist Development Council. The goal of the grant program is to

assist the County in attracting and growing high quality sporting events that generate significant economic impact through the attraction of out-of-county participants, related room nights and spending in the local economy. Reimbursement grants up to \$20,000 are available to support events that benefit sports tourism on the Florida's Space Coast. Qualifying grants are also subject to partial reimbursement to the TDO from the Florida Sports Foundation.

The Sports Committee at their September 13, 2021 meeting, and the Tourist Development Council at their September 22, 2021 meeting, voted unanimously to recommended the Board approve the FY 2021-2022 Sports & Events Grant Cycle #2 Awards as well as make the necessary legislative findings.
